

Autumn Term

Dear Parents and Carers,

I do hope everyone who managed to come to our Harvest Festival Service enjoyed it as much as we all did. Our collection, on behalf of Save The Children East Africa Hunger Crisis, raised £76.45 so thank you for coming and your kind donations. Tewkesbury Food Bank were delighted.

Next Monday is our last Parental "drop-in" for this half-term; if you would like to come in to see your child's books, please make an appointment with your child's teacher at drop-off.

May I remind everyone that the school drop-off closes promptly at **8:45am** and the hall doors and gate will be locked. If you are running late (even a minute), please bring your child up School Lane and sign them in at the School Office.

Information regarding after-school clubs [including Rugby and Netball] for next half-term will be out next week.

Quick reminder about the deadline for schools admissions for September '23 is 15th January. If you know anyone who would like to see our wonderful school, please let them know that our open morning is on Friday, 4th November and they are very welcome.

If you have any questions or concerns at any time, please come and see me.

Have a lovely weekend and a wonderful half-term break. **Emma Ross**

THE ALEX VOYSEY BLUES BAND Saturday, 12th November 7:30pm / Overbury Village Hall

The Alex Voysey Blues Band bring their show "Old Dogs, New Tricks" to Overbury. Alex is keen to introduce younger people to the blues and works for RockSteady teaching rock band training in primary schools. Tickets: £10 or £5 for under 18s available from: www.alexvoyseymusic.com or: The Old Brew House, Overbury Call: 07715 372950 Cash bar. All proceeds to local charities.

MARIJANA MOVE MORE PARENTS SESSION Monday, 14th November 2:15→3:15pm NEWSLETTER & SUPPORT PROGRAMME INFORMATION

Marijana will be holding a tea and coffee session at School which I hope many of you will find useful. More details will follow shortly. I'm attaching her first Newsletter for this year and, as part of our support, we have 3 health programmes this year; the first, "Tame Your Worry Brain", helps understand what happens when we and children worry and what we can do about it. Designed to empower both adults and children through activities that will be shared weekly for the next 6 weeks (not half-term). See the attached information.

SCIENCE INVESTIGATORS CLUB

By Violet and Mae

Science Investigators Club on Monday afternoons is led by Miss Davies (Sundial Teacher). We normally do great Science experiments like using suction to hold cards/paper onto a cup of water; we even did this over peoples' heads because we knew it wouldn't fall! We've also made paper planes and gigantic paper planes to race against each other with. In week 2, we had lots of fun making a marvellous marble race. We both really love Science Club – it's a great place! We made rockets out of paper/card and lots of different materials in red, orange and yellow and tied string to it then decorated with strings and other materials – it was a really fun activity. Science Club is open to children in years 3 to 5 but no matter what age you are, you can still enjoy it!
